4 Hour Defensive Pistol I & II Required Equipment

Handgun

400-450 Rounds of Ammunition (**PER CLASS**) (.22 cal conversion kits and clones welcome).

More ammunition is always better than less ammunition.

Holster (non-LE are encouraged to bring their concealed carry holster).

2-3 Magazines (3 or more speed loaders if using a revolver).

Magazine/Speedloader pouch(es).

Flashlight/Weapon mounted light.

Eye pro/Ear pro. (both clear and dark lenses are a good idea).

Clothing suited for strenuous activity as well as being seasonally appropriate.

Rain gear/Cold weather gear (seasonal).

Baseball style hat recommended.

Proper belt to support equipment.

Tools that work on your weapon.

Weapon(s) lube.

Water hydrating device.

Knee/elbow pads (optional).

Gloves (optional).

An open mind (not optional).

If you have signed up for **only** a 4 hour block of instruction we recommend a minimum of 200-250 rounds of ammunition (more is always better when it comes to ammunition).
